Gary,

We need a Hot Issue for the San Jacinto Site. Please prepare ASAP and send to Janetta and cc me and Jonathan Wang. On the current status we need to mention that EPA and other agencies are review the Feasibility Study that considers alternative to address the contamination at the site. Use the enclosed format. Thanks CAS

**Subject:** Hot Issues - Texas Chemical Council Meeting/Tour in Houston, TX

Good morning all,

I hope everyone is doing well.

The RA will be speaking to the Texas Chemical Council (TCC) and taking an industrial tour of Houston on Thursday, November 14. If your division has any hot issues regarding TCC or Houston, please submit them to me by **COB Thursday, November 7** in the We Care format (attached).

Please let me know if you have any questions/concerns.

Thanks!

Jonathan Wang
